Re: Annual Report on Eviction Notices

Dear Ms. Young:

Pursuant to Section 37.6(j) of the Rent Ordinance, Chapter 37 of the San Francisco Administrative Code, the Rent Board is providing its annual report on the number of eviction notices filed with the department. During the period from March 2002 through February 2003, a total of 1,643 various evictions notices were filed with the department. This figure includes 93 notices given due to failure to pay rent, which are not required to be filed with the department. The number of notices filed with the department this year represents a 22%% percent decrease over the prior year's filings (2,101). The largest declines were in owner occupancy evictions, 516, or a 29% decrease, nuisance declined by 10% to 251 and eviction notices for breach declined by nearly 40% to 231. The only increases were in temporary capital improvement evictions which increased from 44 to 68, or a 26% increase and Ellis Act evictions, from 148 buildings to 187 for a 26% increase for the period.

The list on the following page gives the total number of notices filed with the department, stated reason for the eviction and the applicable Ordinance section.
