TENANT PETITION – FORM A

SUBSTANTIAL DECREASE IN HOUSING SERVICES

PLEASE COMPLETE ALL INFORMATION ON THE BACK OF THIS FORM.

A tenant may file a petition with the Rent Board for a reduction in base rent when the landlord has substantially decreased a housing service without reducing the tenant's base rent. [Ordinance Section 37.8(b)(2)]

A **Housing Service** is defined in Ordinance Section 37.2(g) as any service provided by the landlord connected with the use or occupancy of a rental unit including, but not limited to: repairs; replacement; maintenance; painting; light; heat; water; elevator service; laundry facilities and privileges; janitor service; refuse removal; furnishings; telephone; parking; rights permitted the tenant by agreement, including the right to have a specific number of occupants, whether express or implied, and whether or not the agreement prohibits subletting and/or assignment; and any other benefits, privileges or facilities.

To establish a successful claim based on decreased housing services, the tenant has the burden of proving each of the following elements under Rules and Regulations Section 10.10:

- 1) The item was a housing service;
- 2) The housing service was reasonably expected and/or provided at the commencement of the tenancy and/or verifiably promised by the landlord prior to commencement of the tenancy, or added after commencement of the tenancy if additional rent was paid when it was provided;
- 3) The housing service was decreased, removed or not provided by the landlord or manager;
- 4) The landlord or manager was provided actual or constructive notice of the decreased housing service claim;
- 5) The landlord or manager failed to provide or restore the housing service within a reasonable amount of time after receiving notice of the claim;
- 6) The decrease in housing service was substantial; and
- 7) The landlord did not reduce the base rent by a reasonable amount for the decreased housing service.

NOTE: The following housing services may not be severed from the tenancy by the landlord without one of the “just cause” eviction reasons set forth in Ordinance Section 37.9(a): garage facilities, parking facilities, driveways, storage spaces, laundry rooms, decks, patios, gardens, or kitchen facilities or lobbies in single room occupancy (SRO) hotels. [Ordinance Section 37.2(r)]

If you are alleging that a wrongful severance of one of the specified housing services has occurred without a “just cause” reason, you may file a Report of Alleged Wrongful Severance of a Housing Service with the Rent Board in addition to filing a decrease in services claim for a rent reduction. The Rent Board will notify your landlord about your claim of wrongful severance and provide the landlord with information about the applicable law. However, only a court can determine whether “just cause” exists.

*** PLEASE NOTE:** The Administrative Law Judge (ALJ) cannot reduce the rent for an item by more than the amount requested in the petition. Furthermore, the ALJ cannot order a total monthly rent reduction that is more than your monthly base rent. Also, the Rent Board cannot award money for out-of-pocket expenses, personal injury or property damage. If you want compensation for these types of damages, you should seek legal advice on how to file your claim in court.
